Amos (Anchor Bible Series)

Francis I. Andersen, David Noel Freedman, William Foxwell Albright

Amos (Anchor Bible Series) Francis I. Andersen, David Noel Freedman, William Foxwell Albright

The life and mission of Amos the shepherd and prophet have always fascinated students of the Old Testament. This rancher-farmer from Tekoa, summoned dramatically by Yahweh to prophesy to Israel under the kingship of Jeroboam II (eighth century B.C.E.) about the corruption, injustice, and religious insincerity of his time, has intrigued scholars for centuries. Was Amos' message one of judgment and retribution only, or also of redemption?

Noted scholars Francis I. Andersen and David Noel Freedman, authors of the critically acclaimed *Hosea*, team up to examine and explain this critical segment of the Bible. Using new insights and modern methods, the authors interpret the text clearly, enthusiastically, and with startling perception. Readers will gain a new understanding of the historical, literary, and religious dimensions of the book of *Amos*.
