NBA Superstar CJ Wright's unconscious mind has been thrust back into the middle of a situation that abruptly changed the course of his life. As he fights with himself to avoid traveling down a slippery slope full of love, joy, heartache and pain, outside influences intervene, forcing CJ to make decisions that affect everyone around him.

These decisions ultimately land him on the floor, with a gunshot wound to his body, on the unforgettable day of January 11, 2011. Just as he is about to give up his fight to live, he sees a body and hears a voice that changes everything. Then he spots something else. Afraid for the worst, CJ knows he has to do something or this will be the end.

Will help arrive in time? Will CJ make it out alive? Who else is involved in this tragic situation? Will they live or will they die? Why did this happen? What was the motive? Finally, who is responsible for this heinous crime? Will justice be served?

All of that and more will be revealed in the final entry of the Incidental Contact trilogy.
