## **Inquiry and Essays (Hackett Classics)** Thomas Reid, Keith Lehrer

Reid's previously published writings are substantial, both in quantity and quality. This edition attempts to make these writings more readily available in a single volume. Based upon Hamilton's definitive two volume 6th edition, this edition is suitable for both students and scholars.

Beanblossom and Lehrer have included a wide range of topics addressed by Reid. These topics include Reid's views on the role of common sense, scepticism, the theory of ideas, perception, memory and identity, as well as his views on moral liberty, duties, and principles. Historical as well as topical considerations guided the selection process. Thus, Reid's responses to Descartes, Locke, Berkeley, and Hume are included. Through the resulting selections Reid's influence and impact upon subsequent philosophers is manifested.
