Until all is lost, nothing is found. The final element of the trilogy. A story in which the one that was lost will be found. Where a thief will guide against chaos and time. Where all that was held dear will perish. And in that final and utter destruction--*there will be a Creation.*

"Erec Stebbins concludes his Daughter of Time trilogy with a novel that manages to outpace its predecessors in its capacity to induce awe. Maker is a continuously rewarding science fiction work in which many surprises reach cosmic proportions. Exploratory fiction at its most powerful and intelligent. These are works that nurture wonder and sometimes break hearts. A brilliant conclusion to a series that tests the elasticity of imagination, with consistently stunning results."--ForeWord Reviews, MAKER
