John Stuart Mill

On Liberty: With Related Documents (Bedford Cultural Editions Series) John Stuart Mill

This new edition of *On Liberty* is the first to combine John Stuart Mill's influential work with a set of relevant primary sources by Mill and his contemporaries. Alan Kahan's introduction provides students with crucial background on nineteenth-century British politics and society; intriguing biographical details about Mill's early life, intellectual career, and marriage; and thought-provoking discussion of the core issues of autonomy and freedom that *On Liberty* addresses. The related primary documents -- including an excerpt from Mill's famous proto-feminist treatise *On the Subjection of Women* -- offer useful insights into the philosopher's intellectual outlook as well as a fascinating view into *On Liberty*'s rather stormy reception. Excerpts from Mill's diary and autobiography, contemporary reviews of *On Liberty*, and appreciations of Mill by his colleagues all deepen students' understanding of this remarkable work and its equally remarkable author. Headnotes and gloss notes to the documents, a selected bibliography, a chronology of Mill's life, and a set of questions for consideration offer additional pedagogical support.
