**EVERYTHING GOES ON THE NIGHT OF THE CLEAN HANDS.** There are only three rules: Old debts are forgotten. Payback is forbidden. Killing is outlawed. But rules are meant to be broken.

As a member of the dreaded 25's, one of the ruling gangs of the No Go Zone, Kai jumps from the rooftops and glides over the streets using his cybernetic talons and sensory augmentations to keep the rest of the population under constant surveillance.

When a string of copycat murders disrupt the festivities, it falls to Kai to journey deep into the underbelly of a sprawling, urban slum and uncover the mystery behind the killing's connection to the death of a diva: the Red Light Princess.
