ZetaTalk is a grand compilation of information communicated telepathically by teams of visitors from Zeta Reticuli to their emissary, Nancy Lieder --an enhanced contactee. The contents of the book began on an on-line forum in January 1995, when contactees were requested to query their alien visitors. ZetaTalk moved onto the web within months. This book represents the accumulation to date of Zeta responses to those question. Fascinating and essential information. The Zetas provide information on these topics and many others: the E.T. origins of the human species; the nature of the human animal, its body, brain and soul; life on other worlds; intelligent insects, reptilians and hominoids; incarnations and reincarnations; animal souls; the truth behind some mythological creatures; the Nibiruans from the 12th Planet and its imminent return; the origins of the pyramids and the Sphinx; and more.
