A Treatise On Insurances Balthazard-Marie Emerigon

Emerigon, Balthazard Marie. [Meredith, Samuel, Translator and Editor]. A Treatise on Insurances.

Translated from the French with an Introduction and Notes. London: Henry Butterworth, 1850. lxxviii, 728 pp. Reprinted 2005 by The Lawbook Exchange Ltd. ISBN 1-58477-537-8. Cloth. * Originally published in 1783, Emerigon's learned treatise was praised by James Kent, who said it "very far" surpassed "all preceding works in the extent, value, and practical application of his principles. It is the most didactic, learned, and finished product extant on the subject. (...) In the language of Lord Tenterdon, no subject in Emerigon is discussed without being exhausted, and the eulogy is as just as it is splendid." Meredith's able translation is complemented by a brief biography of the author and a chronology of the book's compilation. Emerigon [1716-1785] was the leading French authority on commercial law during the eighteenth and early nineteenth centuries. His work was held in the highest regard by English and American jurists. Kent, Commentaries on American Law 359 cited in Marvin, Legal Bibliography (1847) 293.

From reader reviews:

Mary Oropeza:

Here thing why this kind of A Treatise On Insurances are different and trustworthy to be yours. First of all reading through a book is good nonetheless it depends in the content of it which is the content is as yummy as food or not. A Treatise On Insurances giving you information deeper and different ways, you can find any publication out there but there is no book that similar with A Treatise On Insurances. It gives you thrill examining journey, its open up your own eyes about the thing which happened in the world which is probably can be happened around you. You can easily bring everywhere like in playground, café, or even in your technique home by train. When you are having difficulties in bringing the published book maybe the form of A Treatise On Insurances in e-book can be your substitute.

Gloria White:

The book A Treatise On Insurances will bring you to definitely the new experience of reading a new book. The author style to elucidate the idea is very unique. When you try to find new book to learn, this book very acceptable to you. The book A Treatise On Insurances is much recommended to you you just read. You can also get the e-book from your official web site, so you can quickly to read the book.

Ellis Pauling:

Your reading sixth sense will not betray a person, why because this A Treatise On Insurances reserve written by well-known writer who knows well how to make book which can be understand by anyone who all read the book. Written in good manner for you, dripping every ideas and creating skill only for eliminate your own personal hunger then you still question A Treatise On Insurances as good book not only by the cover but also by the content. This is one publication that can break don't assess book by its deal with, so do you still needing another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Deanna Thompson:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this A Treatise On Insurances can make you feel more interested to read.
