Behavioral Research: A Conceptual Approach

Frederick Nicholas Kerlinger

Behavioral Research: A Conceptual Approach Frederick Nicholas Kerlinger

The purpose of this book is to help people understand science and scientific research. Although it focuses on behavioral science and on research in psychology, sociology, and education, its central approach is the basic approach and principles of all science. Scientific disciplines differ in their content and substance, but their broad approach to inquiry is in general the same. It is this core of sameness on which the book concentrates,
