For introduction to business courses.

A better way to learn business.

Better Business offers the business content students need, but in a **better** way. By presenting the material in a stimulating Q&A format, **Better Business** encourages students to come to class prepared to have better conversations and a truly engaging classroom experience. One of the most significant shifts in the business environment since the first edition of Better Business is the explosive growth of social media in all parts of business. The **Fourth Edition** of Better Business continues to feature social media strategies and technologies in over 85% of its chapters, as well as significant updates to the technology chapter.

Better Business is integrated with **MyBizLab** which gets students to interact with business, not just read about it. **MyBizLab** also assists instructors with their course prep, making it convenient to access and assign modern, interactive resources.

Also available with MyBizLab.

MyBizLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
