Crickets #2 Sammy Harkham

Crickets #2 features the highly anticipated second installment in Sammy Harkham's new ongoing serial Black Death as well as a number of shorter strips that showcase the acclaimed young artist's sharp wit and quirky sense of humour. Begun in the first issue, Black Death follows the adventures of a curiously indestructible man shot full of arrows and a mute Golem as they wander in the woods together, blundering through their encounters with its strange and isolated inhabitants. In the unrelated shorter strips, Harkham, publisher of the influential comics anthology Kramer's Ergot, takes advantage of the opportunity to exercise his considerable imagination on a wide range of topics, from his autobiographical adventures on a signing tour to the frustrated comic aspirations of the emperor Napoleon.
