Exam 98-369 Cloud Fundamentals measures your ability to accomplish technical tasks such as understanding the cloud; enabling Microsoft cloud services; administering Office 365 and Microsoft Intune; using and configuring Microsoft cloud services; and supporting cloud users. Students who are beginning studies in technology need a strong foundation in the basics before moving on to more advanced technology courses and certification programs. The Microsoft Technology Associate (MTA) is a new and innovative certification track designed to provide a pathway for future success in technology courses and careers. The MTA program curriculum helps instructors teach and validate fundamental technology concepts and provides students with a foundation for their careers as well as the confidence they need to succeed in advanced studies. Through the use of MOAC MTA titles you can help ensure your students future success in and out of the classroom. Students will learn key cloud services and terminology, Microsoft cloud services, Microsoft Office 365 and Intune administration, and the ability to use, configure, or support parts of other key Microsoft technologies for cloud services including SharePoint Online, Skype for Business Online, Exchange Online, and OneDrive.
