Highways and Byways of New England: Including the States of Massachusetts, New Hampshire, Rhode Island, Connecticut, Vermont and Maine (Classic Reprint) Clifton Johnson

Excerpt from Highways and Byways of New England: Including the States of Massachusetts, New Hampshire, Rhode Island, Connecticut, Vermont and Maine

All the volumes in this series are chiefly concerned with country life, especially that which is typical and picturesque. To the traveller, no life is more interesting, and yet there is none with which it is so difficult to get into close and unconventional contact. Ordinarily, we catch only casual glimpses. For this reason I have wandered much on rural byways, and lodged most of the time at village hotels or in rustic homes. My trips have taken me to many characteristic and famous regions; but always, both in text and pictures, I have tried to show actual life and nature and to convey some of the pleasure I experienced in my intimate acquaintance with the people.

These "Highways and Byways" volumes are often consulted by persons who are planning pleasure tours. To make the books more helpful for this purpose each chapter has a note appended containing suggestions for intending travellers. With the aid of these notes, I think the reader can readily decide what regions are likely to prove particularly worth visiting, and will know how to see such regions with the most comfort and facility.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
