Roma, with its over 2,500 glorious years of history and beauty, is a place which occupies an incomparable place in our civilization. The over 170 photos, taken in October and December 2011, show a charming variety of images of the Forum Romanum, Amphitheatrum Flavium (Colosseum), Trajan's Column and of other splendid places from Rome. After reading this book, it will be very easy to understand why Rome is so full of history and beauty that the more you know about it, the more you love it. Millions of visitors who see Rome for a second time say that Rome looks, if anything, younger and newer; this is the reason why Roma is called La Città Eterna - the Eternal City.
