Life is all about choices. You made a choice to read this book since you want to achieve Financial Freedom by building a property portfolio. The reality is that most people fear that traditional ways of working and saving won't provide for a secure retirement or a comfortable lifestyle. People will have to work beyond retirement to sustain themselves or rely on their children or on charity if available. But, the proof is in the pudding and the actual transformation occurs when you have taken your first step in buying your own house and leveraged it to build your property portfolio. Leveraging your existing portfolio successfully will accelerate the speed of reaching your objectives. Life is a journey which will teach you that time is more precious than money. Time spent to follow your Life's Calling is more satisfying than being caught in the rat race of life making ends meet. Learning from every stage and experience of life is the biggest wealth. Start dreaming, never stop learning and continue achieving greater success.
