Focusing on how change takes place in museums, *Challenge and Transformation: Museums in Cape Town and Sydney* is built around a series of case studies outlining the way museums have come to terms with issues of diversity and change - within ethnographic museums, historic sites and art galleries. The case studies are complemented by an introduction by Jack Lohman and an epilogue by the current CEO at Iziko Museums, Jatti Bredekamp.

Katherine Goodnow is Associate Professor at the Department of Information Science and Media Studies at the University of Bergen, Norway.
