Kylie's Special Treat: A Food Allergy Fairy Tale Letizia Barbetta

A sweet fairy tale of a girl who loves to paint and dreams of the prince she once knew. One day she receives an invitation to make the prince a special treat. With some magical help, she happily bakes him her favorite dessert. Of course, it doesn't include any of the foods she's allergic to (milk, eggs, peanuts, and tree nuts). Kylie shows the reader how she manages her food allergies with poise and confidence, follows her dreams and goes on to live happily ever after.

Whimsical and colorful illustrations make this supportive story a fun read for all, especially food-allergic children.

Book includes a simple baking recipe, food allergy tips and resources for adults.
