Mom's Family 2012 Wall Calendar Sandra Boynton

The calendar that keeps the whole family running on time and on track, Mom's Family Calendar is the perennial bestseller that moms—and dads, too—rely on, season after season. Running a full 17 months, it combines the organizational powers of a planner with Sandra Boynton's lovable, colorful animal characters, who frolic and cavort through each grid. The grids run vertically, with five columns across the top (one for each family member) and the days of the month running down the left-hand side. Write in each person's activities for each day, and at a glance, it's easy to see who's doing what, where, and when. Includes a dropdown storage pocket, 500 stickers, and a write-on, wipe-off magnetic phone list to hang on the fridge. It's total family organization, Boynton style.
