Norte: A Novel

Edmundo Paz Soldán

Norte: A Novel Edmundo Paz Soldán

A prominent member of a new generation of Latin American writers, Paz Soldán stands in defiant opposition to the magical realism of the past century, instead grounding his work in political, economic, and historical realities. Norte is no exception; it is a tale of displacement and the very human costs of immigration. Shocking with its violence even as it thrills with its language, confounding rather than cowering under the cliché of the murderous, drug-dealing immigrant, Norte is a disquieting, imperative work—an undeniable reflection of our fragmented modern world.
