On Location in Blairstown: The Making of Friday the 13th David Grove

On location in Blairstown: The Making of Friday the 13th covers the creation, planning and filming of the iconic 1980 film, Friday the 13th in a way that no other film has been documented before. Through the memories of the cast and crew, many speaking for the first (and last) time, as well as previously-undiscovered production information and materials, On location in Blairstown takes the reader "on location" and back in time to 1979 for the filming of Friday the 13th and behind the scenes for all of the adventures, conflicts and dramas that went into the making of one of the most enduring and popular horror films in history.
