Second Innocence: Rediscovering Joy and Wonder: A Guide to Renewal in Work, Relationships, and Daily Life John B. Izzo

John Izzo's concept of "second innocence" means recovering those feelings of enthusiasm, faith, presence, and curiosity associated with childhood and blending them with the knowledge and experience of adulthood. Through a series of compelling stories, he offers a collection of uncommon thoughts on common themes. The author's experience as a minister, teacher, author, corporate advisor, and leader of spiritual retreats provides a wealth of wisdom for this journey. In the spirit of Robert Fulghum and Garrison Keillor, Izzo shows that while love may disappoint, work may not satisfy, and suffering will occur, we can still transform ourselves by applying intentional focus to finding the wonder in the world and staying focused on what really matters.
