**We, the Anarchists!: A Study of the Iberian Anarchist Federation (FAI) 1927-1937** Stuart Christie

"Christie's polemic underscores a great truth about the struggle against fascism: There is no middle ground. You may either resist fascism with all your might, or fall into the same abyss yourself."--*Rain Taxi*

A detailed, scholarly study of the Iberian Anarchist Federation (FAI), a group of twentieth-century militants dedicated to keeping Spain's largest labor union, the CNT, on a revolutionary, anarcho-syndicalist path. Stuart Christie's analysis covers the history of Spanish anarchism and the Spanish Civil War, and provides lessons relevant to today's largely neutered labor movement. A gripping and informative tale!

**Stuart Christie** is the co-founder of Anarchist Black Cross and Cienfuegos Press, and the author of *Granny Made Me an Anarchist*. He was imprisoned in 1964 for attempting to assassinate Spanish dictator Francisco Franco.
