Good, fast read. ...the book is mainly set in Tahiti - and the descriptions are wonderful. Half action novel, half mystery novel - great book for the beach!!

- Anne Evans , reader at GoodReads

...an action and adventure book. Mitch Davies has set it in exotic locations with colorful, memorable characters. The story flows well and has some rather unexpected twists.

If you don't know you're committing a crime, are you innocent?

All Ben Beck wants is to start over with a new opportunity so he decides to throw himself in the middle of the Pacific Ocean with a confusing group of strangers.

No level of smooth sailing could prepare him for being attacked or being at the wrong end of a pointed gun. From the idyllic life of charter sailing and Polynesian island hopping, to a life and death struggle on a tilting yacht deck at night, Ben can't help but wonder if the other members of his crew are friends or enemies. He doesn't find out until he wakes up with a throbbing headache after sneaking into a mooring at night and has a meeting with the law.

Will the crew, the sea, or a stretch in jail shred Ben's canvas? Find out. Catch a Stolen Breeze!
