*"Chicken - 25 Classic Dinners" Volume IV of the Mama's Legacy Cookbook Series is a compilation of traditional chicken recipes that every good cook should know how to prepare.*

My goal was to offer a variety of well-known recipes with a few less common ones in the mix that would provide a solid foundation of choices for family dinners, yet elegant enough for entertaining. I think that I have accomplished that and hope that you will agree.

Chicken has always been the primary meat served in our home, so I have tried almost every kind of chicken recipe there is. The only non-chicken recipe in the collection is a bonus - my personal "Thanksgiving Turkey and Dressing" recipe that I could not resist sharing.

The 25 recipes in this cookbook were carefully selected and range from quick and easy pasta dishes to more complicated fare such as "Chicken Divan," "Chicken Étouffée," and "Coq Au Vin." Although most of the recipes are easy enough for any cook to master, a few require extra time and effort to prepare them well. They are all delicious!

With this cookbook, you will have a wonderful cache of chicken recipes that will serve you extremely well over the years - and a foundation on which you can build as the years go by.

*These classic chicken dinners will not only please your family today, but can be passed down through the generations for others to enjoy.*
