"This is so far the best book I've ever read this week. If given a chance to rate this above 5 stars, I will definitely give a 10. I could compare this book from Paulo Coelho's *The Alchemist*. Such a great and brilliant story that made me stick with this. In every journey of Vel, there is a revelation from great and influential people he met and this made the story more interesting. Highly recommended for everyone!" – (ONE OF THE REVIEWS) What would you do if you are suddenly given a boon to travel the time and meet people in the ancient world?
