## **Liberty in Jesus : Evil Spirits and Exorcism Simply Explained** L. David Mitchell

This book is by a practical minister who believes in the eternal character of God and the effects of the unchanging love of Christ being brought to bear on problems that seem to have no solution. It is about helping people to disentangle their lives from spiritual influences which, often unrecognized, have been blighting their lives. It engages the removing of hindrances to developing a deeper spiritual life, and aims, to use a naval expression, to 'clear the decks for action.' The need for a Biblical world view is traced with many Scriptural and historical references. How and why demons operate in human lives and many of their spheres of activity are described in some detail. Issues surrounding spirits - both good and evil - and the supernatural are researched and explained.

Many people, including Christians and their children, may suffer from mental, emotional, moral, and sometimes physical distress and have no idea that evil spirits are involved. This book helps to reveal ways in which Satan works. Then, two thousand years after Christ first fulfilled human hopes and began releasing men, women and children from demonic power, it shows how he still will work in the same way. An attempt is made here to bring into perspective the profound simplicity of Jesus Christ's approach to the realm of supernatural evil as it affects people today. Liberty in Jesus suggests some ways a Christian may appropriate the victory of God's only Son over evil spiritual powers, right here and now. The author includes valuable tabulated notes entitled "Steps to Deliverance" and "Profiles of Demonic Attack." His personal experiences allow us to relate to details of modern life and so everyone can find recognizable examples within this work, making it an inspiring read.
