The Drifter Michael D Mullins

The Drifter is a story about a Vietnam veteran and career Central Intelligence Agency operative who had one assignment too many. It made him question his heart and soul. Did have any of either left? Were they hardened beyond redemption? Richard Pearce loves America and serving its people, wherever that took him, whatever he had to do, but fears he lost his humanity as his expertise became legend. Pearce begins a journey to find the answers to his questions, to quell his introspection. Along the way he finds adventure and discovers that his instinct to protect people is as automatic as breathing. His travel takes him into the heartland of his country where he hopes to find a way to fend off his demons. Somewhere in the magnificent mountains of the south he hopes to find peace in himself and perhaps even some way to forgive himself for a life defined by violence
