"According to many sources, New Hampshire's Lake Winnepesaukee has been a tourist destination for more than a century, and the Town of Wolfeboro became the "Oldest Summer Resort in America" when Colonial Governor John Wentworth established a summer home there in 1770.

The Native American name Winnepesaukee means either "Smile of the Great Spirit" or "Beautiful water in a high place", depending on whose translation you use.

Islands are places of discovery, mystery, isolation and adventure. There is also a certain dreaminess and romance to the idea of traveling to and living on an island. Think of the many movies that featured island life: Robinson Crusoe, Swiss Family Robinson, Treasure Island, Blue Lagoon, and Cast Away to name a few.

Bizer Corporation, one of the premier makers of boating charts for Lake Winnepesaukee, has a list of 253 islands on the lake, and old wives tales claim there are 365 islands, one for every day of the year. In *The Islands of Winnepesaukee*, the authors document their kayaking adventures to all of the islands on the lake, with more than 275 beautiful, full-color photographs and remembrances.
