Due to the great success of Santorella Publication's series for "little pickers" and the sudden resurgence of bluegrass music nation-wide, we are proud to introduce this next unique edition, Easy Bluegrass Songs for Little Guitar Pickers by Larry McCabe. This is the very first time a collection of easy bluegrass and old-time guitar tunes were arranged specifically for children. Your "little picker" will enjoy countless hours of playing these wonderful standards, several of which are difficult to find in print anywhere. The easy-to-read tablature makes the material also accessible to non-readers. This rare collection will teach your child about their roots and musical heritage while he or she has fun picking out the tunes.
