In gourd art, there is a vast array of material that can be used when carving and decorating a gourd. When it comes to doing the rim, the options are just as varied. The best rims are those that complement the gourd's overall design. The rim "completes" the gourd--it makes the gourd look finished. Through more than 200 color images and tutorials from contributing artists, learn how to finish the rims of gourd bowls using chip stone, tubular beading, paper, coiling, leather, wire, clay, pine needle, and flowers. The rims illustrated range from the very simple to the extremely elaborate. A gallery of completed works will inspire your own creative ideas.
