Feline Anatomy: A Coloring Atlas Thomas O. McCracken, David Carlson, Anna Dee Fails

Cat breeders, cat show judges as well as student of veterinary medicine, zoology and wildlife biology will greatly benefit from this feline anatomy coloring atlas. Essential anatomic and physiologic concepts are explained and some diseases common to the region being studied are discussed. Active learning is involved as you color anatomical structures and their names on the drawing or underline their names in the texts and color the parts indicated by a corresponding number. The format replicates Dog Anatomy - A Coloring Atlas by Kainer and McCracken. The format is designed for the cat owner who desires to gain a basic knowledge of feline anatomy with functional correlations and brief descriptions of some the diseases being studied. This do it yourself form maximizes comprehension and retention.
