Small Japanese Gifts - Softback Paper Notebook [\$5.50 / £3.59]

This handy little Japanese notebook is one of our most popular fine art designs and is a particular favorite among customers looking for Japanese gifts / presents.

Hokusai was a Japanese print-maker who lived at the beginning of the 19th Century and had no less than thirty different names during his lifetime. The famous Great Wave off Kanagawa is the first print of a series of thirty-six which he created during his sixties, when widely regarded to be producing his best work (so it's never too late!). The central theme of the prints is Mount Fuji which can be seen in the background. As a Japanese Buddhist, the mountain represented to him the gifts of life and immortality. Hokusai had something of a lifelong obsession with it, returning to it again and again.

Whether a treat for yourself or a gift for another, this is perfect for those who love all things 'Japan'.
