Lucky Bastard: My Life, My Dad, and the Things I'm Not Allowed to Say on TV

Joe Buck

Lucky Bastard: My Life, My Dad, and the Things I'm Not Allowed to Say on TV Joe Buck
The announcer of this century's most-watched, historic, Chicago Cubs–winning World Series reveals why he is one lucky bastard.

Sports fans see Joe Buck everywhere: broadcasting one of the biggest games in the NFL every week, calling the World Series every year, announcing the Super Bowl every three years. They know his father, Jack Buck, is a broadcasting legend and that he was beloved in his adopted hometown of St. Louis.

Yet they have no idea who Joe really is. Or how he got here. They don't know how he almost blew his career. They haven't read his funniest and most embarrassing stories or heard about his interactions with the biggest sports stars of this era.

They don't know how hard he can laugh at himself—or that he thinks some of his critics have a point. And they don't know what it was really like to grow up in his father's shadow. Joe and Jack were best friends, but it wasn't that simple. Jack, the voice of the St. Louis Cardinals for almost fifty years, helped Joe get his broadcasting start at eighteen. But Joe had to prove himself, first as a minor league radio announcer and then on local TV, national TV with ESPN, and then finally on FOX. He now has a successful, Emmy-winning career, but only after a lot of dues-paying, learning, and pretty damn entertaining mistakes that are recounted in this book.

In *Lucky Bastard*, Joe takes the reader into the broadcast booth and into his childhood home. Hilarious and occasionally heartbreaking, this is a book that any sports fan will love.

From the Hardcover edition.
