Night's Landing (Cold Ridge) Carla Neggers

New York Times bestselling author Carla Neggers combines action, intrigue and romance like no one else in this classic tale.

The Chance

Sarah Dunnemore has just returned to her family home in Tennessee when she gets news that her twin brother, Rob, has been seriously wounded in a sniper shooting in Central Park. She rushes to New York to be with him, only to come up against his no-nonsense partner. Deputy U.S. Marshal Nate Winter is the best, and he believes the official investigation is going in the wrong direction—especially when he learns that Sarah is extremely close to her family's famous neighbor: the president of the United States. Nate follows Sarah back to Night's Landing because he's determined to uncover the truth, and he will let nothing—not his and Sarah's growing attraction for each other, not the mounting danger they face—stand in his way.
