100% Online Student Success is a text intended to improve student success and retention in online learning. Beginning with an outline of essential elements of student success and the benefits online learning affords, it emphasizes the importance personal responsibility, organizational skills, and time management play in creating success. Focus is placed on developing success skills in online communication, virtual classroom management, and online learning strategies; and in strengthening technical competence. 100% Online Student Success identifies common concerns of online learners and provides helpful tips for self-management. Appendices provide additional help in overcoming personal barriers to online learning success.
