Sean's Story

Sean went through a lot of test within the first year of life. Unfortunately we didn't get a lot of answers to his health issues.

The Doctor's were still saying that Sean was Developmentally Delayed with absolutely no explanation. We were left with more questions and very disappointed in the team of Doctors who were supposed to be help us with all of these unexplained health issues. As the years went by we had been to numerous Ear, Nose and Throat Specialists who tried and failed to repair Sean's ears.

He just kept having recurring ear infections. The Dental Team just didn't know what to do to repair Sean's Soft Cleft Palate or even how to deal with teeth that were just a mess from the Syndrome.
