Tricks are arranged in order of difficulty, with the simplest at the beginning of the book. Clearly written, easy-to-follow instructions and over 60 helpful diagrams take aspiring magicians through each step — from preparing and manipulating the cards to developing a line of patter (a necessary ingredient for any successful performance).

Newcomers to the art of performing card tricks need no special skills — just a willingness to practice — to accomplish such astonishing stunts as finding a card under seemingly impossible conditions, causing a card to rise mysteriously from the deck, reading the spectator's mind, and 27 other mind-boggling maneuvers.
