**Excuse Me, First Love (College Daze) (Volume 1)** Danielle Burton

Three years ago Gabrielle Tanner was in love, but fear of rejection kept her silent. How could she tell her best friend that he'd stolen her heart? Especially when their friendship was coming to an end.

Three years ago Jayson Adams lost his best friend when she moved half way across the country, shattering his world. He spent months in a deep depression, cursing the universe for ripping her away from him so cruelly.

When their worlds collide again, old wounds are torn open.

Gabrielle fights against a one sided love, forced to watch the man she desires in the arms of another.

Jayson, on the other hand, is determined to hold onto his friend this time, even if it means denying his heart what it truly wants.
