**Praised by Lev Grossman as “stunning...raw, real, smart, very thrilling and very, very wicked,” *The Circle*, the first book in the internationally bestselling Engelsfors Trilogy, introduced a group of high school girls with special powers who became the Chosen Ones.**

As book two, *Fire*, begins, Minoo, Vanessa, Linnéa, Anna-Karin and Ida have been struggling with their own demons all summer long. Now school is back in session, and whether they like it or not, the five Chosen Ones must stick together stronger than ever before.

Evil is back in Engelsfors and it threatens to engulf everyone and everything?and only if the five girls accept their strengths and trust each other unconditionally will they have any chance of defeating it.

The second installment of the Engelsfors Trilogy?an international sensation with rights sold in 26 countries?*Fire* sees the past woven together with the present, the living with the dead, our human world with demonic forces. This spellbinding novel takes the reader on a wild journey in a world where the stakes are higher than life-and-death.
