## **Invasion** J. D. Brink

Superheroes, space opera, and pure pulpy fun.

An attack on a new space station thrusts Earth's greatest heroes onto the frontlines of an interstellar war.

An orphan of alien gladiator circuits, Ballista now fights to protect her adopted home. Nuclear colossus Adam Smasher is the most powerful man on the planet, with an ego to match. And Symian's inhuman genius could only be born from the unfettered jungles of the Congo. Together they are the future's greatest (dysfunctional) superhero team.

This battle will be like none they've faced before: fought not only against the black void of space, but against the enemy within as well.

The future of the Identity Crisis Universe hangs in the balance. J. D. Brink brings you another series of mature spandex adventure for grownup fanboys and fangirls, no matter your timeline.
