Life is a Road, Get on it and Ride! (Life Is a Road Series) Daniel Meyer

"...I know the risks, and moderate them when I can, but still I press on, even into adversity. There are very few things I fear, and even this situation was not one of them.

But still...every now and then...just once and a while...

I wonder...I question...I seek to understand why...

Beaten to the edge of rationality, stunned beyond the capability of comprehension, between racking sobs and painful gasps for breath I screamed into the chaos,

'What in the bloody hell am I doing out here?'

I was not really expecting an answer..."

Through a series of adventures told with humor and passion, *Life is a Road, Get on it and Ride* captures the essence of the motorcycling experience and carries the reader where few have ventured before. Take a wild ride into the magical worlds along the highways of America and a passionate tour through the mysterious soul of an avid motorcycle rider. Experience what one reader calls, "A little bit of Jung, a little bit of Freud, and a little bit of rock and roll." (Doc D)
