Classrooms are the inexhaustible source of humor and teachers experience this on a daily basis.

Students are often cracking teachers up by the sweet, silly and sometimes shocking things they do or say.

"Wish I would have wrote down some of the things my students say to me! They sure are hilarious!" - said a teacher on an online forum where teachers were discussing the cutest and funniest things students ever said to them.

Make the time to write down the best quotes from your students you overhear in the classroom, throughout the school year, to make sure you never forget them.

Imagine, how funny it will be to read them again at future school reunions!

You might want to publish them one day and become a best selling author, like the Italian teacher Marcello d'Orta did.

This little book will help you to record and organize your students' quotes. Buy it now!
