One Whole and Perfect Day

Judith Clarke

One Whole and Perfect Day Judith Clarke

Sometimes Lily wishes she weren't so sensible. If she were less reliable, then perhaps she'd have more fun. As it is, her hardworking but flaky mom and her dreamy older brother count on her to run the house. She wishes things could be different, but how can she change her responsible ways? Perhaps, she thinks, she should fall in love!

Meanwhile, her scheming grandmother is planning a family party and, as is typical, Lily worries. Her fears are not entirely unfounded. Her grandfather has recently disowned her brother, and her brother has a new girlfriend who might not fit in. Her mother will probably bring the loony Mrs. Nightingale from the adult day care center where she works. And these are only the predictable complications. Lily is beginning to understand how easily unimaginable things can happen, too.

Back to the question of love, what is this new feeling Lily experiences when Daniel Steadman is near? Could it be the cure?
