Por la Senda Malisa Oca

"Por la Senda", which translates into the English "Along the Way", is a collection of poems written by Malisa Oca in her native Spanish. Her work spans both youth and maturity and bridges the cultures of both North and South America. She gives us a delicate glimpse into the romantic heart of the adolescent, full of hopes and dreams but torn by the conflicts of growing up. We encounter the joys of motherhood, the pain of love lost, and the senselessness of death. And, finally, she poignantly expresses the lost illusions and compromises of later life. A love of nature is woven throughout, and an occasional injection of humor makes us smile.
