The Rookie: An Odyssey through Chess (and Life) Stephen Moss

Chess has been played for more than 1,500 years and is played in every country in the world. Stephen Moss sets out to master its mysteries, and unlock the secret of its enduring appeal. What, he asks, is the essence of chess? And what will it reveal about his own character along the way?

In a witty, accessible style that will delight newcomers and irritate purists, Moss imagines the world as a board and marches across it, offering a mordant report on the world of chess in 64 chapters – 64 of course being the number of squares on the chessboard. He alternates between "black†? chapters – where he plays, largely uncomprehendingly, in tournaments – and "white†? chapters, where he seeks advice from the current crop of grandmasters and delves into the lives of great players of the past.

It is both a history of the game and a kind of "Zen and the Art of Chess†?; a practical guide and a self-help book: Moss's quest to understand chess and become a better player is really an attempt to escape a lifetime of dilettantism. He wants to become an expert at one thing. What will be the consequences when he realises he is doomed to fail?

Moss travels to Russia and the US – hotbeds of chess throughout the 20th century; meets people who knew Bobby Fischer when he was growing up and tries to unravel the enigma of that tortured genius who died in 2008 at the inevitable age of 64; meets Garry Kasparov and Magnus Carlsen, world champions past and present; and keeps bumping into Armenian superstar Levon Aronian in the gents at tournaments.

He becomes champion of Surrey, wins tournaments in Chester and Bury St Edmunds, and holds his own at the famous event in the Dutch seaside resort of Wijk aan Zee (until a last-round meltdown), but too often he is beaten by precocious 10-year-olds and finds it hard to resist the urge to punch them. He looks for spiritual fulfilment in the game, but mostly finds mental torture.

Download and Read Free Online *The Rookie: An Odyssey through Chess (and Life)* Stephen Moss

From reader reviews:

Shirley Frazier:

Book will be written, printed, or created for everything. You can realize everything you want by a book. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading ability was fluently. A reserve *The Rookie: An Odyssey through Chess (and Life)* will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you trying to find best book or suited book with you?

Jason Silva:

What do you about book? It is not important together with you? Or just adding material when you need something to explain what the ones you have problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They need to answer that question simply because just their can do that. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need that *The Rookie: An Odyssey through Chess (and Life)* to read.

Tanya McNeil:

Here thing why this *The Rookie: An Odyssey through Chess (and Life)* are different and reliable to be yours. First of all examining a book is good but it depends in the content of computer which is the content is as tasty as food or not. *The Rookie: An Odyssey through Chess (and Life)* giving you information deeper since different ways, you can find any guide out there but there is no publication that similar with *The Rookie: An Odyssey through Chess (and Life)*. It gives you thrill reading journey, its open up your own eyes about the thing which happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your approach home by train. If you are having difficulties in bringing the paper book maybe the form of *The Rookie: An Odyssey through Chess (and Life)* in e-book can be your alternative.

Elbert Lupton:

Many people spending their moment by playing outside using friends, fun activity using family or just watching TV the entire day. You can have new activity to spend your whole day by reading through a book. Ugh, you think reading a book really can hard because you have to use the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like *The Rookie: An Odyssey through Chess (and Life)* which is keeping the e-book version. So , try out this book? Let's see.
