The Spirit of Prophecy Max R. King

In 1971 Max King published his book *The Spirit of Prophecy* and shook the foundations of modern Bible interpretation. Almost singlehandedly, throughout the '70s and '80s, this book changed the way people thought about the "last days." Now this classic of fulfilled Bible prophecy has been completely updated and rewritten as a fast reading biblical introduction to eschatology. The second edition includes study questions and chapter summaries, plus a postscript on "The Transmillennial ® view" by Tim King. A perfect companion book for personal study or Bible study classes, or a great gift book for those new to Bible prophecy.
