Excerpt from To and From Rome

Previously to visiting Rome I often contemplated what sort of a place I would find. I had it all pictured in my mind the Appian Way and the Aqueduct of Claudius. These were the first I saw in entering Rome. The Appian Way, which I thought was built of solid masonry, with Julius Cæsar's and his contemporaries' tombs on either of the Way. Instead thereof I found Appian Way was only a macadamized road 25 feet wide, entering Rome, and was 180 miles long, and Claudius Aqueduct was built about 20 feet from the ground. Rome now is a modern city in all respects.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
