**AMC Cars: 1954-1987 (An Illustrated History)** Patrick R. Foster

Formed in 1954 by the merger of The Hudson Motor Car Company and Nash-Kelvinator Corporation, American Motors Corporation was no ordinary company. It was the last, and the very best, of the great independent automakers, producing such notables as the muscle-flexing AMX and Javelin, and the forward-designed, 4-wheel-drive Eagle. Highly regarded AMC historian and expert, Patrick Foster, gives us an in-depth look at AMC and its cars from its beginning in 1954 through its demise in 1987. Over 300 photos combined with informative captions show all of AMC's cars. A great reference for the AMC enthusiast!
