At the Foot of the Rainbow Gene Stratton-Porter

An idyl of central Indiana – a tale of devoted friendship and tender, self-sacrificing love – the friendship that gives freely without return, and the love that seeks first the happiness of the object.

Another early 20th-century classic from the remarkable pen of Gene Stratton-Porter. Set in Rainbow Bottom along the Wabash River, *At the Foot of the Rainbow* tells of the lives of a dissipated Irishman, Jimmy Malone, his long-suffering wife Mary, and Jimmy's boyhood friend and lifelong companion, Dannie Macnoun. Filled with an exciting fishing contest, a wild goose chase to make fun of a city-boy, and the awkward tension involved between Dannie, Mary, and Jimmy.

This edition includes introductory biographical material on the life and work of beloved Indiana author and naturalist Gene Stratton Porter.

“Gene Stratton-Porter’s stories all have, as a fundamental reason of their existence, the author’s great love of Nature. To impart this love to others – to inspire many hundreds of thousands to look for the first time with seeing eyes at the pageant of the out-of-doors – is her gift of rare quality....Mrs. Porter’s novels are not only wholesome and clean, but they are romantic and cheerful. The people who live in their pages do things and accomplish tasks worth while....Mrs. Porter has opened the eyes of thousands to the wonder and glory of the world around them.” -The Christian Herald

“To my way of thinking and working, the greatest service a piece of fiction can do any reader is to leave him with a higher ideal of life than he had when he began. If in one small degree it shows him where he can be...gentler, saner, cleaner, kindlier...it is a wonder-working book. If it opens his eyes to one beauty in nature he never saw for himself and leads him one step toward the God of the Universe, it is a beneficial book...” ? Gene Stratton-Porter
