## **Naked Liberty** Carolyn Resnick

NAKED LIBERTY is a captivating memoir of Carolyn Resnick's detailed account of how she gained a magnetic connection with horses. Carolyn reveals her struggle to be accepted into a herd of wild horses, beginning at the bottom of the pecking order, working to gain higher rank and ultimately riding on the back of a lead mare from a bonded trust. This book goes beyond "horse whispering" and will inspire readers to seek a higher level of communication with their horses. "I learned that dominant horses must fight for their position and lead horses do not. From these waterhole rituals I discovered the secret society of wild horses, and that the spirit of the bond has its own language," says Carolyn.
